We stayed at Mas du Grand Vallon initially for a few nights, by accident - we had seen the sign on the road and were looking for somewhere and decided to check it out. We ended up extending our stay to a full week because we loved it, and would have stayed longer if we could have. Fabulous rooms, great service, a good quality restaurant and close to Grasse (10mins), Cannes (15mins) and the historic and pretty village of Mougins (5mins) with easy access to the other Cote d'Azur towns and attractions.

The place is brand new (in fact we were the first guests!) and the rooms have lovely views over the next door golf course. Being on the golf course and not on a main road the place is quiet and peaceful with lots of birdlife and a relaxing atmosphere. The room decor is sensational - one of the best we've encountered, and we've seen many - and the furniture practical, good looking and very comfortable. We stayed in a 1 bedroom apartment with its own little fully equipped kitchenette (not big, but enough to supplement so you don't have to dine out for every meal) along with a dining and lounge area and a lovely deck or patio with very comfortable outdoor furniture. The huge bed is without doubt the most comfortable we've ever slept in (until now the Marriott has held that honour but this one was better).

The swimming pool area is lovely, as is the terrace of the restaurant. Staff were supremely helpful and food in the restaurant was great quality and good value.

We cannot recommend this place highly enough and would go back tomorrow if we could and live there permanently!
